

VAR Region Record Subscription Form

The *Region Record* is the official publication of the Virginia Region of the NSS and is generally published four times per year. Anyone who attends a Spring or Fall VAR meeting is automatically subscribed for a year. No need to do anything else!

Other interested individuals and libraries may receive the *Region Record* by subscription. You do not have to be a VAR or NSS member to receive the *Region Record*. Subscriptions are only \$3.00 per year and may be prepaid for up to three years.

Complementary copies are sent to all grottos in the Region and to other groups with which the Region exchanges newsletters. In addition, newcomers to the Region will receive one or two complementary copies.
